Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

A \* following a place name indicates that the place is also a false MCD; the false MCD name is shown in parentheses.

2 In 1990, the crew-of- vessels population of ships at sea was allocated to census tracts with a "999" suffix. An census symbol appeared on the 1990 maps locating a crew-of- vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.
